REPORT OF FIRE WARDEN

During this critical period it is more than ever the part of good and prudent citizenship to remember

1. That permission to burn in or near woodland or where fire may be communicated to woodland must be secured from the forest fire warden when the ground is not covered with snow.

2. To be careful when smoking in or near the woods and not to throw or drop lighted cigars, cigarettes or matches.

3. To notify your local warden promptly of any fire you see.

4. That fire prevention is the best and cheapest fire insurance.

5. To be fire-minded; be careful; be cooperative and thus help your warden prevent forest fires. This is patriotism at work.

The 1942 fire record for our town follows:

Number of fires or investigations	1
Area burned	none
Number of permits issued	8

SUPERINTENDENT'S REPORT

To the Members of the School Board
and Citizens of Grantham:

It is a pleasure to submit herewith comments on the Grantham schools both as to the scholastic achievements and the financial situation.

BUILDINGS

The Grantham Village building, both interior and exterior, has been repainted and greatly improved in appearance. Both of these had needed to be done for some time and we were fortunate in being able to get the work done by local help. Both of the buildings are now in reasonably good shape, but some improvement in the seating capacity in North Grantham and Grantham Village could be added with much enjoyment and physical benefit to the children. The fence at the North Grantham school yard needs to be replaced with one that is strong and safe.

TEACHERS

Two changes are noted in the teaching staff. Miss Evelyn Strand who had taught in the Village building for three years, left to take a position in Massachusetts. Her place has been filled by Ida Soboll, a graduate of Keene Teachers College. At North Grantham, Miss Dorothy Lincoln, who had completed substantially three and one-half years of her course at Keene, was appointed as teacher. Miss Lincoln expects to finish her work during the extended summer session. These two new teachers, with Miss Rule who was with us last year, have had good results in the rooms and are generally liked by the pupils. The large enrollment at North Grantham made it advisable to transport the seventh and eighth grades from that school to the

village, thereby allowing more opportunity for individual work with the children at North Grantham.

BUDGET

The budget for next year will not vary a great deal from that of last year, but we need to watch out that we have sufficient funds to retain the teachers we have and to meet the wage scale that similar communities are offering.

HEALTH WORK

The large number of districts which were combined together under Mrs. Robert Hasham, as school nurse, has made it necessary for her to relinquish some of the work. Grantham, therefore, is now under the supervision of the school nurse from Lebanon, Miss Elizabeth Donovan. A few cases of measles have crept into the schools but there has been no serious epidemic. The Agricultural Marketing Association has supplied us with fruits and other materials to supplement the noon luncheons. It has been necessary this year to pay the freight on the supplies that have come from Manchester and Concord.

ENROLLMENT

The enrollment is fairly stable, except that there was an increase at North Grantham as mentioned above. A table of the children by grades for the different schools is set down with the list of graduates from the eighth grade on another page. The names of those children who have attended high school any time during the year is also listed.

I am glad to take this opportunity to express to the teachers who were here last year and who are here this year and to Mrs. Walker and other members of the school board and citizens who assisted in the rationing programs for sugar and gasoline. The fuel proved

to be more of a disappointment and hardship on the teachers than some of the other programs because of the lack of supplies and materials with which to do the work. I am, however, pleased to express my appreciation for all that has been done, both by the teachers and helpful citizens in the matter of making the schools more worthwhile to the pupils and the community.

Respectfully submitted,

WILLIAM J. ENGLISH,

Superintendent of Schools.
